Part of the SHAKEDOWN is partially running in the opposite direction as HP 3,6,9 the reconnaissance can take place only on Thursday May 9th 2024 from 18:20 till 20:00 and Friday from 07:00 till 08:00. Due to safety reason, it is strictly forbidden to do the reconnaissance of SS 3,6 and 9 in this time.

As parts of the super special stage are driven in the one way streets in the opposite direction, the reconnaissance can be done only on foot!

Reconnaissance of the super special stage 1 with Chicanes already in place can be done on foot on Friday May 10th 2024 from 16:00 till 17:00.

We warn the competitors that any kind of practice on the rally route is strictly forbidden. For the people, who live on the route, rally and particularly reconnaissance, when the road is open for a normal traffic, present a major increase of traffic and a major disturbance in their habits of life. Thus, people are often against rally and organizer has to put huge effort to get their permission. Reconnaissance out of the prescribed terms and racing on the route threat the future rallies. For this reason, we appeal to the crews to respect reconnaissance restrictions. The organizer, together with the local Police, will control thoroughly the route of special stages and strictly sanction the offenders.

During the race, the return of the device will take place at the HQ Rally, within the estimated time set by the organizer. This applies to competitors who have missed or completed the competition for any reason.
